ASSIGNMENT

WHEREAS I, the below named inventor, (hereinafter referred to as Assignor), have made an invention entitled:

Pixelation Reconstruction for Image Resolution and Image Data Transmission

as described in U.S. Provisional Application No. 60/350,384, filed January 24, 2002, U. S. Patent Application No. 10/686,194 filed October 9, 2003, and International Patent Application No. PCT/US02/10994, filed April 9, 2002, and corresponding National Stage Applications; and

WHEREAS, the UNIFORMED SERVICES UNIVERISTY OF THE HEALTH SCIENCES, a United States Government Agency, whose post office address is 4301 Jones Bridge Road, Bethesda, Maryland (hereinafter referred to as Assignee), is desirous of securing the right, title, and interest in and to this invention in all countries throughout the world, and in and to any and all applications for United States Letters Patent on this invention and the Letters Patent to be issued upon said application; and

NOW THEREFORE, be it known that for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, I, as Assignor, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my entire right, title, and interest in and to this invention, and all applications, and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof; and all rights to claim priority on the basis of such application, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I HEREBY covenant that I have the full right to convey the interest assigned by this Assignment, and I have not executed and will not execute any agreement in conflict with this Assignment;

AND, I HEREBY further covenant and agree that I will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee,
