ASSIGNMENT OF PATENT

WHEREAS, I, Chuang Li (hereinafter referred to as "ASSIGNOR"), a citizen of the United States of America, have invented "Methods and Apparatus for Controlling A Portable Electronic Device Using A Touchpad," for which an application for Letters Patent of the United States of America was filed on July 6, 1999 and was assigned Application No. 09/348,806, and for which a Letters Patent of the United States issued on October 28, 2003 bearing U.S. Patent No. 6,639,584.

WHEREAS, Tsera, LLC, a limited liability company organized and existing under and by virtue of the laws of Texas and having its principal place of business at 19884 Charters Avenue, Saratoga, California 95070 (hereinafter referred to as "ASSIGNEE"), is desirous of acquiring the exclusive right, title and interest in, to and under said invention, said applications and said Patent or similar legal protection to be obtained therefor in the United States of America, its territorial possessions and in any and all countries foreign thereto.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNOR hereby sells, assigns, transfers and sets over unto the said ASSIGNEE, its successors and assigns, the full and exclusive right, title and interest in, to and under said invention, said application and said Letters Patent or similar legal protection, not only in the United States of America and its territorial possessions, but in all countries foreign thereto, to be obtained for said invention by said applications, and to any continuation, division, renewal, substitute or reissue thereof or any legal equivalent thereof in the United States of America or a foreign country for the full term or terms for which the same may be granted, including all priority rights under the International Convention, including without limitation the right to recover any and all past damages for infringement thereof.

ASSIGNOR hereby covenants that he owns said invention, said application and said Letters Patent and that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Agreement;

ASSIGNOR further covenants that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said application, said invention and said Letters Patent and legal equivalents as may be known and accessible to ASSIGNOR and will testify as to the same in any interference or litigation related thereto and will promptly execute and deliver to ASSIGNEE or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said applications, said invention and said Letters Patent and said equivalents in the United States or in any foreign country, which may be necessary or desirable to carry out the purposes thereof.

WITNESS my hand at this 14th day of July, 2009
