PATENT ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned,

R. H. Dyck, Inc.,

as sole owner of United States Letters Patent entitled **Machine for Producing Straw-Filled Tubes of Flexible Netting Material**, United States Patent No. 5,519,985, which issued 05/28/1996;

does hereby sell, assign and transfer to Earth Saver, Inc., a corporation duly organized and authorized by the Laws of the State of California, and having its principal place of business at 12972 Country Road 102, Woodland, CA 95776, its successors, assigns, and legal representatives, the full and exclusive right to said invention and said Letters Patent and to any and all inventions described in said invention and said Letters Patent and to any and all inventions described in said Letters Patent for the United States, its territorial possessions and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent as granted therefor in the United States, its territorial possessions and all foreign countries; and in and to any and all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, and all other applications for Letters Patent relating thereto which have been or shall be filed in United States, its territorial possessions and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, act, and treaties, including all future conventions, unions, agreements, act, and treaties;

agree that Earth Saver, Inc., hereinafter referred to as Assignee, may apply for and receive Letters Patent for said invention and said inventions, hereinafter referred to as said invention, in its own name, in the United States, its territorial possessions and all foreign countries; and that, when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said Assignee, its successors, assigns and legal representatives, the undersigned will execute all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, execute all rightful oaths, assignments, powers of attorney and other papers, testify in any legal or quasi-legal proceedings; communicate to said Assignee, its successors, assigns and legal representatives all facts known to the undersigned relating to said invention and Letters Patent and the history thereof; and generally do everything possible which said Assignee, its successors, assigns, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and Letters Patent, and for vesting title to said invention and Letters Patent in said Assignee, its successors, assigns, or legal representatives; and

covenant with said Assignee, its successors, assigns, or legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

IN THE TESTIMONY WHEREOF through the undersigned authorized agent of R. H. Dyck, Inc., on the date indicated below.
