CONFIRMATORY ASSIGNMENT

This Assignment is made by **SEANIX TECHNOLOGY INC.**, of 5600 Cedarbridge Way, Richmond, BC V6X 2A7 (the "Assignor") to **SEANIX TECHNOLOGY CANADA LTD.** having a place of business at 170 – 13160 Vanier Place, Richmond, British Columbia, Canada V6V 2S2 (the "Assignee");

WHEREAS Assignor invented a new and useful patent entitled **"Computer case with adjustable drive housing for interchangeable desktop/tower configuration and control panel attachable to the drive housing"**, for which United States Patent Registration No. 5,513,068 was issued on April 30, 1996 (the "Patent");

WHEREAS Assignor executed a transfer and assignment of this Patent to Assignee on February 28, 2009 but said assignment has not yet been formally recorded with the appropriate registration authorities;

AND WHEREAS for greater certainty, the parties wish to confirm the acquisition by the Assignee, by formal, recordable assignment, of the entire worldwide right, title and interest in and to said Patent, and any patent that may be granted for said Patent throughout the world.

NOW, THEREFORE, Assignor confirms that in consideration for the payment of the sum of \$10.00 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor did, effective February 28, 2009, sell, assign and transfer to Assignee the entire worldwide right, title and interest in and to said Patent, and any patent that may be granted for said Patent throughout the world, including the right to file applications directly in the name of the Assignee and to

claim for any such applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise, and including any rights in and to United States Patent Registration No. 5,513,068.

Further, Assignor confirms that he did further agree that, upon request, he and his legal representative(s) and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing any patent as may issue anywhere in the world for said Patent, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said Patent anywhere in the world.

IN WITNESS WHEREOF, Assignor has signed this Assignment on the date written below.
