PATENT ASSIGNMENT

WHEREAS, Unidym, Inc., a Delaware corporation with its principle office at 1244 Reamwood Drive, Sunnyvale, CA ("Assignor") owns certain patents and/or patent applications (including provisional patent applications), as listed on Exhibit A attached hereto and incorporated herein by this reference (the "Patents"); and

WHEREAS, TEL Venture Capital, Inc., a Delaware corporation with its principle office at 2953 Bunker Hill Lane, Suite 300, Santa Clara, CA ("Assignee") desires to acquire an undivided one-half right, title and interest in, to and under the Patents; and

WHEREAS, Assignor and Assignee have entered into that certain Agreement Regarding Intellectual Property and Waiver of Put Options dated as of June 15, 2009 (the "Agreement"), assigning, among other things, an undivided one-half right, title and interest in and to the Patents from Assignor to Assignee.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration provided by Assignee to Assignor, the receipt, adequacy and legal sufficiency of which are hereby acknowledged, Assignor hereby sells, transfers, assigns, conveys, grants and delivers unto Assignee an undivided one-half right, title and interest in and to the Patents, including all foreign counterparts, divisions, continuations, continuations-in-part, reexaminations, substitutions, reissues, extensions and renewals of the applications for the Patents (and the right to apply for any of the foregoing); all rights to causes of actions and remedies related thereto (including without limitation the right to sue for past, present or future infringement, misappropriation or violation of rights related to the foregoing); and any and all other rights and interests arising out of, in connection with or in relation to the Patents; in each case, subject to the undivided one-half right, title and interest in and to the Patents retained by Assignor under the terms and conditions of the Agreement.

IN WITNESS WHEREOF, Assignee has caused this Assignment to be duly executed by an authorized officer, and this Assignment shall be effective as of the 15TH day of June, 2009.
