A MOBILE PRACTICE TARGET,

bearing Serial No. 11/078,008, filed on March 11, 2005, which claims priority to

A MOBILE PRACTICE TARGET,

a Provisional Patent Application bearing Serial No. 60/552,597, filed on March 12, 2004.

ATHLETIC INSTRUCTIONAL METHODS, LLC, located at 626 Glenbrook Drive, Palo Alto, CA 94306, (hereinafter referred to as AIM) is desirous of acquiring the entire right, title, and interest in and to the invention and the application for Letters Patent of the United States, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefore.

In consideration of one dollar and other good and sufficient considerations, Assignor hereby assigns to AIM, its successors and assigns, any right, title, and interest Assignor may have in the above identified invention. The assignment includes, by way of illustration and not limitation, any and all rights under the above identified application for Letters Patent, any Letters Patent or Patents in the United States of America or any foreign country which may be granted therefore, and any and all divisions, continuations, and continuations-in-part of the application, or reissues or extensions of the Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property.

Assignor assures AIM that Assignor has not granted rights in the Invention to any other person or entity and that there is no lien or other encumbrance on the rights to the

invention. Assignor further assures AIM that Assignor has good and full right and lawful authority to assign the above-identified rights.

Assignor agrees to cooperate with AIM to secure and protect AIM's interest and ownership in the invention. Such cooperation includes, by way of illustration and not limitation, providing all pertinent facts and documents relating to the invention as may be known to Assignor, testifying in any interference, litigation or proceeding related to the invention and promptly executing and delivering to AIM or its legal representatives any papers required to apply for, obtain, maintain, issue and enforce the above identified rights. Provided, however, that if any expenses are incurred by Assignor in providing such cooperation, such expenses shall be paid by AIM.

Assignor hereby requests the Commissioner of Patents to issue said Letters Patent of the United States to AIM as the assignee of the inventions and the Letters Patent to be issued therefore.

IN TESTIMONY WHEREOF, I hereunto set my hand this 10th day of July,
2009.

Gregory W. Barber
