**CONFIRMATORY ASSIGNMENT**

Whereas, We, **Yasuo Konishi**, **Joanne Magoon**, citizens of Canada and **Suwatchai Jarussophon** citizen of Thailand, and residing at **21 Chaudiere St., Kirkland, Quebec H9H 4C8, Canada, 1983 Richardson, Montreal, Quebec H3K 1G8, Canada and 2524 De Maisonneuve Est., Apt. #1, Montreal, Quebec H2K 2G2, Canada** respectively, in the course of our work at and/or for the National Research Council of Canada have made an invention for which we have made application for Letters Patent of the United States of America; and

Whereas **National Research Council of Canada**, incorporated as a company under the National Research Council Act by the Parliament of Canada, and situated in the city of Ottawa, Province of Ontario, Canada, is our employer and/or maintains facilities or equipment we used in making this invention, and is the owner of this invention by action of law, namely S. 3 of the *The Public Servants Inventions Act* of Canada, or by agreement;

NOW, THEREFORE, in consideration of having been provided with an opportunity to participate in scientific research at the National Research Council of Canada and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we **Yasuo Konishi**, **Joanne Magoon**, and **Suwatchai Jarussophon** hereby confirm the transfer of and did transfer to the National Research Council of Canada the legal ownership of the full and exclusive right, for the territory of Canada and the United States Of America and all other countries, including the right to claim priority, the right to file foreign applications under the provisions of the International Convention and national laws, the right to file any divisional and continuation applications and the full and exclusive right in and to said divisional and continuation applications, in and to the said invention as described and claimed in the application for patent entitled

**Use of Catecholamines and Related Compounds as Anti-Agiogenic Agents**

International Patent Application **PCT/CA2008/000191** filed on **January 29, 2008** in the Patent Cooperation Treaty Receiving Office therefor; and we hereby request the Commissioner of Patents and Trademarks to issue said Letters Patent, as far as our rights are concerned, to National Research Council of Canada, as the assignee, for the sole behoof of said National Research Council of Canada, and its legal representatives, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by us in the event that ownership rested

with us, the inventors. In addition, we confirm that the National Research Council of Canada has full rights to abandon the invention and any related patents or patent applications or any aspect thereof in any and all jurisdictions at its sole discretion and without providing compensation to us.

The inventors signing this document acknowledge that, except as explicitly noted herein, their entire inventive contribution made toward this invention was completed in the course of their work with and/or for the National Research Council of Canada and no other person or organization has any claim to the invention or any aspect thereof and the inventors have not granted or purported to grant rights in the invention to any other party or organization at any time.

This document has been read and understood prior to signature. Receipt of sufficient opportunity to seek clarification of any concerns is acknowledged.
