ASSIGNMENT

WHEREAS, Accenture LLP ("Assignor"), an American company having a place of business at 1161 Page Mill Road, Palo Alto, California 94304, USA, has obtained an ownership interest in the patent applications listed in attached Schedule A and associated inventions (the listed patent applications hereinafter referenced as "Patent Applications" and the associated inventions hereinafter referenced as "Inventions");

WHEREAS, Accenture Global Services GmbH, a limited liability company duly organized under and pursuant to the laws of Switzerland as a judicial person, and having a place of business at Herrenacker 15, CH-8200 Schaffhausen, Switzerland ("Assignee"), desires to own the entire right, title, and interest in the Inventions and the Patent Applications, and in and to any Letters Patent or Patents obtained therefore or thereon through the European Patent Office, in Italy, the United States and in any other country or region;

NOW, THEREFORE, for good, valuable and legally sufficient consideration for Assignor, the receipt of which is hereby acknowledged by Assignor, Assignor has sold, assigned, transferred and set over, and as demonstrated by this Assignment does sell, assign, transfer and set over unto Assignee, the entirety of the Assignor's right, title and interest in and to the Inventions and Patent Applications and Letters Patent or Patents obtained through the European Patent Office, in Italy, in the United States and in all other countries and regions which may be granted on the Inventions, and in and to any and all divisions, continuations and continuations-in-part of any such application, or reissues, reexaminations, renewals and extensions of said Letters Patent or Patents; and the full right to claim for any such applications all benefits and priority rights under any applicable convention, treaty or legislation, and the right of Assignor to sue and obtain relief, including damages, profits and an injunction, for any infringement occurring before or after issuance of said Letters Patent or Patents; the same to be held and enjoyed for the sole and exclusive use

and benefit of Assignee, its successors and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor had this Assignment not been made;

AND, for the above-recited consideration, Assignor hereby covenants and agrees to execute and deliver to Assignee, its successors, legal representatives or assigns, all papers and documents that may be required to carry out the terms of this Assignment, and take all lawful oaths, provide testimony, and do all lawful acts necessary or required to be done to reasonably assist Assignee, its successors, legal representatives or assigns in any interference, litigation or other proceeding in any country concerning or in connection with any Inventions, Patent Applications, Letters Patent or Patents assigned hereunder; or for the prosecution, procurement, maintenance, enforcement and defense of Letters Patent or Patents for said Inventions and Patent Applications, or to carry out the terms of this Assignment, or vest in Assignee, its successors and assigns, exclusive title in and to all Inventions, Patent Applications, Letters Patent or Patents assigned hereunder, without further compensation from said Assignee, its successors, legal representatives or assigns, except for reasonable costs and expenses of Assignor incident to such assistance and approved in writing by Assignee, its successors, legal representatives or assigns before any such costs or expenses are incurred;

AND, Assignor hereby authorizes and requests each national and regional patent office, including the Commissioner of Patents in the United States, to issue said Letters Patent or Patents to Assignee, the Letters Patent or Patents to be issued thereon for the sole use of Assignee and its successors and assigns in accordance with the terms of this Assignment, and Assignor authorizes and requests the attorneys for Accenture Global Services GmbH to complete the serial number in Schedule A for any application listed in Schedule A;
