Sir:

REQUEST FOR CORRECTED NOTICE OF RECORDATION

On June 2, 2009 Applicant submitted an Assignment document to SDGI Holdings, Inc. and a Merger document to Warsaw Orthopedic, Inc. along with Recordation Form Cover Sheets for recordation concurrently with the above-identified continuation application in the United States Patent and Trademark Office.

Applicant received a correct Notice of Recordation dated June 12, 2009 for Assignment from the inventor to SDGI Holdings, Inc.

Applicant has also received an incorrect Notice of Recordation dated June 17, 2009 for the Merger to Warsaw Orthopedic, Inc. The original Recordation Form Cover Sheet was submitted with the proper box/item checked, i.e., " This document is being filed together with a new application," as well as identifying the new application as "(Cont. of 11/089,057)." The Notice of Recordation as issued shows the incorrect serial/patent number and should be changed as follows:

Change "SERIAL NUMBER: 11089057 FILING DATE: 03/24/2005
PATENT NUMBER: 7540882 ISSUE DATE: 06/02/2009"
to --SERIAL NUMBER: 12455415 FILING DATE: 06/02/2009--.

For the convenience of the Patent Office, in addition to the enclosed marked-up copy of the Notice of Recordation and original Recordation Cover Sheet as issued, also enclosed is an updated Recordation Form Cover Sheet for the Merger to Warsaw Orthopedic, Inc.

It is respectfully requested that the Assignment records be updated and the corrected Notice of Recordation be forwarded to the undersigned. Any fees associated with this request should be charged to Deposit Account 50-1068.

Respectfully submitted,
MARTIN & FERRARO, LLP
