ASSIGNMENT OF PATENT RIGHTS AND POWER OF ATTORNEY

I, the undersigned Stephanie NORRELL (hereinafter referred to as the Assignor), in consideration of my employment by ITL North America, Inc of Level 4, Building 1925, Isaac Newton Square, Reston VA, USA, (hereinafter referred to as the Assignee) hereby confirm that I have assigned and hereby do assign to ITL North America, Inc MY ENTIRE RIGHT, TITLE AND INTEREST in and to my contribution as a joint inventor to an invention entitled MEANS FOR SAMPLING ANIMAL BLOOD on which I worked during the course of my duties with the Assignee, in respect of which I am a joint inventor and which was described and incorporated in the following Patent Applications

Application No	Application Date	Country
AU2006905688	13 October 2006 ( 13.10.2006)	Australia
AU2007901991	13 April 2007 ( 13.04.2007)	Australia

(hereinafter referred to as the Applications), which Applications acknowledge me as an inventor.

**I HEREBY AGREE TO:**

Promptly execute upon request and without charge all papers necessary in connection with the Applications and any national or international Patent Application based thereon, or based upon any continuation, divisional, reissue Application thereof, the papers including, for example, application forms and requests, powers of attorney, and separate assignments, endorsements or confirmations of this assignment that the Assignee or the Assignee's attorney deems necessary or expedient.

Promptly execute upon request and without charge all papers necessary in connection with any opposition or interference action before a Patent Office, including the United States Patent and Trademarks Office, concerning the Applications or any continuation or division thereof and to cooperate with the Assignee in every way possible in providing or obtaining evidence and going forward with such opposition or interference.

Promptly execute upon request and without charge all papers necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property, the Rules and Articles of the Patent Cooperation Treaty relating to international patent applications, and similar agreements.

Promptly execute upon request and without charge all papers convenient or necessary to obtain a grant of a valid patent in the United States, or any other country, based at least in part upon the Applications or derived at least in part therefrom.

**I HEREBY AUTHORISE AND EMPOWER:**

The Commissioner of Patents of the United States or of any other country to issue to the said Assignee any and all Letters Patents resulting in whole or in part from the Applications, and I hereby covenant that the Assignee has full and unencumbered right to further assign, deal in or convey the entire interest herein assigned.

The duly appointed attorney of the Assignee in the United States, or in any other country, to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the Office concerned for the proper recordation of this document.

**I HEREBY WARRANT:**

That I have not executed and will not execute any agreement in conflict herewith.
