ASSIGNMENT OF INTELLECTUAL PROPERTY

WHEREAS, INTERVENTIONAL AND SURGICAL INNOVATIONS, LLC, a Delaware limited liability company having an address at 25 High Meadow Road, Campbell Hall, NY 10916, United States ("Assignor"), owns the intellectual property described on Schedule I attached hereto (the "Intellectual Property"); and

WHEREAS, DEEP VEIN MEDICAL, INC., a Delaware corporation having an address at 25 High Meadow Road, Campbell Hall, NY 10916, United States ("Assignee"), is desirous of acquiring the Intellectual Property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. The Assignor does hereby assign, transfer, convey and sell unto Assignee his entire right, title and interest in and to the Intellectual Property, including, without limitation, for the United States, its territories and possessions, and all foreign countries in and to this invention described in the patent applications listed on Schedule I as well as in and to (a) all improvements and modifications of the above-identified invention or inventions; (b) the above-identified application and all other applications for Letters Patent of the United States and countries foreign thereto for above-identified invention or inventions and all improvements and modifications thereof; (c) all Letters Patent which may issue from said applications in the United States and countries foreign thereto; (d) all divisions, continuations, reissues, and extensions of said applications and Letters Patent; (e) the right to claim for any of said applications the full benefits and priority rights under the International Convention and any other international agreement to which the United States adheres; such right, title, and interest to be held and enjoyed by Assignee, its successors and assigns, to the full end of the term or terms for which any and all such Letters Patent may be granted as fully and entirely as would have been held and enjoyed by Assignor had this Assignment not been made; (f) all goodwill of the Assignor and the business, products and services appurtenant to, associated with, or symbolized by, the Intellectual Property; (g) the right (but not the obligation) to sue and recover for past, present and future infringements of the Intellectual Property; (h) the right to prosecute applications for patents generated by or in connection with the Intellectual Property, as applicable; (i) all rights of Assignor corresponding to the Intellectual Property throughout the world; (j) all rights and interests pursuant to licensing or other agreements in favour of the Assignor pertaining to the Intellectual Property; and (k) all proceeds of any of the foregoing (such as, by way of example, license royalties and proceeds of infringement suits).

2. The Assignor hereby covenants and agrees that it will, at the request of the Assignee and without further consideration, execute and deliver such other instruments of transfer, conveyance and assignment, and take such other action as may reasonably be necessary to more effectively assign and deliver to, and vest in, the Assignee, its successors and assigns, good title to the Intellectual Property hereby sold, transferred, conveyed, assigned and delivered.

3. The Assignor does hereby irrevocably constitute and appoint the Assignee, its successors and assigns, as Assignor's true and lawful attorney, with full power of substitution, in the Assignor's name, and on behalf of the Assignor, or for its own use, to claim, demand, collect and

receive at any time and from time to time any and all assets, properties, claims, accounts and other rights, tangible or intangible, comprising the Intellectual Property hereby assigned and delivered, or intended so to be, and to prosecute the same at law or in equity and, upon discharge thereof, to complete, execute and deliver any and all necessary instruments of satisfaction and release.

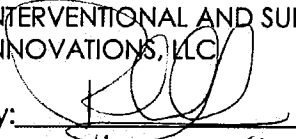

4. The undersigned hereby grant the firm of FOLEY & LARDNER LLP, the power to insert in this Assignment any further identification which may be necessary or desirable to comply with the rules of the U.S. Patent and Trademark Office for recordation of this Assignment.

5. This Assignment of Intellectual Property shall be governed by and construed in accordance with the laws of the State of New York and the parties hereto consent to and submit to the jurisdiction of the courts of the State of New York.

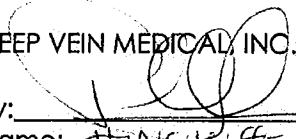

[Next Page is Signature Page]

IN WITNESS WHEREOF, the undersigned has executed this Assignment of Intellectual Property as of the 30 day of April, 2009.
