**PATENT ASSIGNMENT
NUNC PRO TUNC**

THIS PATENT ASSIGNMENT (this "Assignment") is made and entered into effective September 29, 2008, by Benny Lee, an individual ("Assignor"), in favor of Top Innovations, Inc., a Kansas corporation ("Assignee").

W I T N E S S T H :

WHEREAS, Assignor has represented and warranted to Assignee that it is the owner of the entire right, title and interest in, to and under those United States patents and patent applications listed on Exhibit A and any foreign counterparts or equivalents thereto, existing now or in the future and including, but not limited to, patents of utility, improvement or addition, utility model and appearance and industrial design patents and inventors certificates, as well as divisionals, reissues, continuations (in whole or in part), renewals and extensions of any of the foregoing, any substitutions therefore and any patents that may issue from any of the foregoing (collectively, the "Patents"); and

WHEREAS, Assignee wishes to acquire from Assignor, and Assignor wishes to sell, assign, transfer and convey to Assignee, all of Assignor's right, title and interest in and to the Patents.

NOW, THEREFORE, for good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably sells, assigns, transfers and conveys to Assignee all of Assignor's right, title and interest, together with all rights of priority, in and to the Patents, and including the subject matter of all claims that may be obtained therefrom, for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been executed, including without limitation all income, royalties, damages or payments due or payable after the date of this Assignment related to any of the foregoing and all claims for damages by reason of past, present or future infringement or other unauthorized use of the Patents, with the right to sue for and collect the same.

Assignor authorizes and requests the United States Commissioner of Patents and Trademarks and any other similar government authority to record this Assignment so as to reflect Assignee's ownership of the Patents.

Assignor shall provide Assignee, its successors, assigns or other legal representatives, with such cooperation and assistance, at Assignee's request and expense with respect to Assignor's reasonable out-of-pocket cost (including the execution and delivery of any and all documents) as may be reasonably required in the implementation or perfection of this Assignment.

[Remainder of page intentionally left blank; signature page follows.]

IN WITNESS WHEREOF, Assignor has caused this Assignment to be duly executed as of the date first above written.

Benny Lee, Assignor
