**DESIGN PATENT ASSIGNMENT TO  
KIRBY MORGAN DIVE SYSTEMS, INC.**

This assignment made as of the last date entered below by applicants WILLIAM MORGAN, of Santa Maria, California, CONNIE MORGAN, of Santa Maria, California, TRENT SCHULTZ, of Santa Barbara, California, and PETE RYAN, of Santa Maria, California (collectively, "Assignors"), to KIRBY MORGAN DIVE SYSTEMS, INC., a California corporation, having a place of business in Santa Maria, California ("Assignee");

WHEREAS, Assignors are identified as the inventors of a new, original, and ornamental design entitled BUBBLE DIVERTER ("Design"), for which United States Patent Application Serial No. 29/314,183 ("the '183 application") was filed on July 8, 2009;

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title, and interest in and to the Design and the '183 application in the United States and throughout the world.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign, and transfer to Assignees, the entire right, title, and interest in and to the Design and the '183 application in the United States and throughout the world, including the exclusive right to file any provisional, non-provisional, divisional, continuation, continuation-in-part, reissue, foreign, or other application based on the Invention directly in the name of Assignee and to claim any priority rights to which such applications are entitled

under international conventions, treaties, or otherwise.

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing the Design and the '183 application in the United States and throughout the world, and for perfecting, recording, or maintaining the title of Assignee, and its successors and assigns, to the Design and the '183 application in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to assign any and all rights in and to the Design and the '183 application or on any subsequently filed division, continuation, continuation-in-part, or reissue application, to Assignee, its successors and assigns, as the Assignee of the entire interest in the Design and the '183 application.
