UNITED STATES PATENT ASSIGNMENT

WHEREAS, H. Koch & Sons Co., Inc. (a/k/a H. Koch & Sons Company) having a former address at 5410 E. La Palma Ave., Anaheim, CA 92817-0805, is the exclusive owner of all right, title and interest in and to the United States Letters Patents (the "Patents") listed on Schedule A attached hereto; and

WHEREAS, Conax Florida Corporation, a Florida corporation, having a principal place of business at 2801 75th Street North, St. Petersburg, FL 33710, is desirous of acquiring the entire right, title and interest in, to and under said Patents and the inventions described in and covered thereby ("Inventions").

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, and pursuant to the Asset Purchase Agreement between the parties dated June 19, 2006, H. Koch & Sons Co., Inc. does hereby sell, assign, transfer and set over to Conax Florida Corporation, *nunc pro tunc* as of the date of the Asset Purchase Agreement, the Patents and Inventions, and any future patents which may be granted on the Inventions, including all divisionals, continuations, continuations-in-part, re-exams, re-issues and extensions relating to the Patents and Inventions, and all rights of priority resulting from the filing of any patent applications on the Inventions including all right, title and interest in and to any and all improvements to the Inventions and any and all other inventions or improvements disclosed in the Patents; and all right, title and interest in and to any counterparts or legal equivalents thereof in a foreign country, including the right to claim priority under the Paris Convention for the Protection of Industrial Property, the International Patent Cooperative Union, European Patent Convention, Common Market Convention, or any other Convention or Union for each country of said Convention or Union; and all rights of priority resulting from the

filing of any patent applications on said Inventions, the same to be held and enjoyed by Conax Florida Corporation, its successors and assigns, for their own use and enjoyment, to the end of the term or terms of such Patents, and such patents as may be granted on the Inventions or on any other application claiming any right of priority to the Patents as fully and entirely as the same would have been held and enjoyed by H. Koch & Sons Co., Inc. if this assignment and sale had not been made; together with and including without limitation any and all claims for damages by reason of past infringement of any such Patents, with the right to sue for and collect the same for the sole and exclusive use and enjoyment of Conax Florida Corporation, its successors, assigns or other legal representatives.

AND, FURTHER, H. Koch & Sons Co., Inc. does hereby authorize and request any official whose duty it is to issue patents to issue any and all patents on the Inventions, or any divisions, continuations, continuations-in-part, or re-issues relating to the Patents or Inventions to Conax Florida Corporation as assignee of the entire interest, and hereby covenants that it has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreements inconsistent herewith.

IN WITNESS WHEREOF, H. Koch & Sons Co., Inc., by an authorized officer of same has caused this Patent Assignment to be executed and become effective as of this 14th day of

July, 2009.
