ASSIGNMENT

WHEREAS H. Lee Browne, doing business as Greenwich Information Technologies, whose address is 129 Round Hill Road, Greenwich, CT 06031 [hereinafter referred to as Assignor] is, pursuant to the Assignment dated February 5, 1992, the owner of the entire right, title, and interest in and to the invention entitled "Audio and Video Transmission and Receiving System" for which an application for United States Letters Patent was filed on January 7, 1991, Serial Number 07/637,562 [hereinafter referred to as the Invention and the Application], and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof; and all rights to claim priority on the basis of such Application, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, all extensions, renewals, and reissues thereof, and to the patents and applications identified on the attached Exhibit A; and

WHEREAS, Greenwich Information Technologies, LLC, a Delaware Limited Liability Company [hereinafter referred to as Assignee], is desirous of securing the entire right, title and interest in and to this Invention in all countries throughout the world, in and to the patents and applications identified on the attached Exhibit A, and in and to all divisions, and continuations thereof to be issued upon the Application;

NOW THEREFORE, be it known that, for good and valuable consideration conveyed pursuant to a separate Agreement, the receipt of which from Assignee is hereby acknowledged, I, Assignor, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my entire right, title, and interest in and to this Invention, the patents and applications identified in the attached Exhibit A, and all divisions, and continuations thereof, and all Letters Patents of the United States which may be granted thereon, and all reissues thereof; and all rights to claim priority on the basis of such Application, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment and the separate agreement between the parties;

AND, I HEREBY covenant that I have the full right to convey the interest assigned by this Assignment, and I have not executed and will not execute any agreement in conflict with this Assignment;

AND, I HEREBY further covenant and agree that I will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me respecting this invention and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and

enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, I have hereunto set my hand.

H. LEE BROWNE,
D/B/A GREENWICH INFORMATION
TECHNOLOGIES
