For good and valuable consideration, the receipt of which is hereby acknowledged, I, **Yung-Chieh Hsieh**, do hereby assign and transfer to **Optoplex Corporation**, a corporation of the State of California, having its principal offices at 3390 Gateway Boulevard, Fremont, California 94538, United States of America, and to its successors, assigns and legal representatives, the entire right, title and interest to a certain invention entitled "**MULTIPLE-FSR DPSK DEMODULATOR**," described, illustrated and claimed in an application for Letters Patent of the United States of America that was executed by us on July 23, 2009, together with the entire right, title and interest in and to said application, and in and to Letters Patent which may be issued upon said application, and in any division, extension, continuation, continuation-in-part or reissue thereof, said Optoplex Corporation bearing all patent application expenses, including attorney fees.

I also hereby assign and transfer unto said Optoplex Corporation the entire right, title and interest in and to said inventions and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of said inventions and said applications for Letters Patent in foreign countries; I further authorize said Optoplex Corporation to apply for Letters Patent in foreign countries directly in its own name, and to claim the priority of the filing date of said application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

I hereby authorize and request the Commissioner of Patents of the United States of America to issue Letters Patent upon the aforesaid application, division, extension, continuation, continuation-in-part or reissue, to Optoplex Corporation, for the sole use and benefit of said

Optoplex Corporation, its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted, the same as they would have been held and enjoyed by me had this assignment not been made, and I hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to said Optoplex Corporation.

I agree that, when requested, I will, without charge to said Optoplex Corporation, but at its expense, sign all papers, take all rightful oaths, and do all acts that may be necessary, desirable or convenient for securing and/or maintaining patents for said invention in any and all countries and for vesting title thereto in said Optoplex Corporation, its successors, assigns and legal representatives or nominees.
