Elmer Campos ("Assignee"), residing at

2. Therefore, for the sum of \$100,000, payable as noted below, Assignor sells and  
transfers to Assignee 100% of his right, title, and interest in the invention and Patent to  
Assignee for the entire term of the Patent and any reissues or extensions and for the entire

divisions, continuations in whole or part or substitute applications filed claiming the benefit  
of the Patent. The right, title and interest conveyed in this Assignment is to be held and

3. The sum of \$100,000 set forth above is to be paid over five years in five annual  
installments of \$20,000 each. The first annual payment shall become due immediately  
after Assignee has collected \$125,000 in gross sales. The second through fifth payments

4. Assignor further agrees to: (a) cooperate with Assignee in the protection of the

to obtain or maintain the Patent and any and all applications and registrations for the  
invention in any and all countries.

5. Neither party shall incur any obligation in the other's name. The parties shall act solely as independent contractors under the Agreement, and nothing contained herein shall create or be construed as creating a partnership, joint venture, agency or any other relationship between the parties other than one of independent contractor.
6. This Agreement sets forth the entire understanding of the parties with respect to the matters set forth herein, and no modification or waiver shall be valid and binding unless agreed to in writing by both parties.

8. In the event that any portion of this Agreement should be determined to be void or invalid for any reason, its remaining terms shall be interpreted so as to reflect the basic intentions and objectives of the parties.
9. Subject to any limitations herein expressed, this Agreement will mutually benefit and be binding upon the parties, their successors, transferees and assigns. This Agreement may be signed and executed in counterparts, and all signed copies of this Agreement shall be deemed originals.
10. No term or provision hereof shall be deemed waived and no breach consented to or excused, unless such waiver, consent or excuse shall be in writing and signed by the party claimed to have waived, consented or excused. Should either party consent, waive or excuse a breach by the other party, such shall not constitute a consent to, waiver of, or excuse of any other different or subsequent breach whether or not of the same kind as the original breach.
11. Any notices required or permitted to be given under this Agreement shall in writing and shall be deemed sufficiently given if mailed by registered mail, postage prepaid.
