## ASSIGNMENT

WHEREAS, the undersigned, hereinafter referred to as Assignor is the owner of a certain invention disclosed in:

U.S. Patent Application No. 11/330,391 filed January 11, 2006, entitled  
"APPARATUS FOR CATALYTIC CLEANING OF WASTE GASES"

WHEREAS, BD Heat Recovery Inc., 7800 113<sup>th</sup> Street North, Suite 202, Seminole, Florida 33772, hereinafter referred to as Assignee, is desirous of acquiring an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy whereof is hereby acknowledged, Assignor by these presents does sell, assign and transfer unto Assignee and his successors in interest, all of Assignor's right, title and interest in the United States of America and all foreign countries, including the right to claim priority under the laws of the United States, the Paris Convention, and any foreign countries, to the said invention as described in the aforesaid patent application, said invention to be held and enjoyed by Assignee to the full end of the term for which said Letters Patent are granted for the inventions and any extensions thereof as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made, and the right to recover for past infringements of, or liabilities for, any of the rights relating to any of said inventions;

Assignor hereby covenants and agrees to execute all instruments or documents required or requested for the making and prosecution of any applications of any type for patent in the United States and in all foreign countries including, but not limited to, any provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, and as to letters patent any reissue, re-examination, or extension thereof, and for litigation regarding, or for the purpose of protecting title to said inventions, or Letters Patent therefor, and to testify in support thereof, for the benefit of Assignee without further or other compensation than that above set forth; and

Assignor hereby covenants that no assignment, sale or agreement or encumbrance has been or will be entered into which would conflict with this Assignment.
