## PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT, effective as of June 12, 2009 by and between **HORTON MANUFACTURING COMPANY, LLC**, a limited liability company duly formed and existing under the laws of the State of Michigan (the "Assignor"), and **WILDCOMM-HORTON PARTNERS, LLC**, a limited liability company duly formed and existing under the laws of the State of Delaware (the "Assignee").

WHEREAS, Assignor is the owner of the inventions and patent applications set forth in Annex 1 hereto (collectively, the "Patents");

WHEREAS, Assignor and Assignee are parties to that certain Amended and Restated Asset Purchase Agreement, dated as of April 24, 2009 (the "Purchase Agreement"), which, along with the promises contained herein, constitute consideration for the promises herein; and

WHEREAS, under the Purchase Agreement, Assignor has agreed to assign its entire right, title and interest in and to the Patents to Assignee, and Assignee agrees to acquire all of Assignor's right, title and interest in and to the Patents.

## **AGREEMENT**

NOW, THEREFORE, for the consideration set forth in the Purchase Agreement and for other good and valuable consideration, the receipt and legal sufficiency of which is hereby acknowledged:

1. Assignor does hereby unconditionally and irrevocably assign, convey, sell, release, deliver and transfer unto the Assignee, its successors and assigns, all of Assignor's right, title and interest in and to the Patents, together with (a) all applications, divisions, substitutes, continuations, continuations-in-part, re-exams, reissues and extensions thereof and in and to any and all Letters Patent which may be granted and issued on said inventions and applications, or any of them, not only for, to and in the United States of America, its territories and possessions, but for, to and in all countries foreign thereto, together with and including all priority rights based upon any and all applications throughout the world covered by this Assignment; (b) all requests for reexamination and reexamination certificates; and (c) the right to sue and recover any and all damages, profits and any and all other remedies for past, present or future infringements or violations thereof worldwide; all in Assignee's sole name.

2. And for the above-named considerations, Assignor does hereby agree, at the request of said Assignee, to execute any and all applications for Letters Patent for said inventions and any and all other papers and documents and do all other and further lawful acts that said Assignee may deem necessary or desirable to obtain Letters Patent on said inventions, to secure the grant of such Letters Patent and to perfect and vest in the Assignee the entire right, title and interest in the inventions, applications and Letters Patent.

3. And for the above-named considerations, Assignor does hereby authorize and empower the Assignee, its successors and assigns, to apply for and obtain, in its or their own names, Letters Patent for the said inventions before competent International Authorities and in

any and all countries foreign to the United States in which applications for Letters Patent can be so made or Letters Patent so obtained.
