ASSIGNMENT

WHEREAS, I, John W. Wyant of Fond du Lac,  
County of Fond du Lac, and State of Wisconsin  
has invented certain new and useful improvements in Method for Operating a  
Propulsion System of a Watercraft

for which an application is about to be made for Letters Patent of the United  
States, said application having been executed on even date herewith; and

Whereas, Brunswick Corporation, a corporation organized and existing under  
the laws of the State of Delaware, and having its principal offices at 1 North  
Field Court, Lake Forest, Illinois 60045-4811, is desirous of acquiring the entire  
right, title and interest in and to said invention, said application and in, to  
and under any and all Letters Patent to be obtained therefor:

Now, therefore, for good and valuable consideration to me paid by the said  
Brunswick Corp., the receipt of which is hereby acknowledged, I have sold,  
assigned and transferred, and by these presents do hereby sell, assign and  
transfer unto the said Brunswick Corp., its successors and assigns, my entire  
right, title and interest in and to said invention, said application and the  
Letters Patent, both foreign and domestic, that may or shall issue, including all  
of my rights under any and all international conventions, treaties and/or  
agreements concerning patents to which the United States is a party, and I do  
hereby authorize and request the Commissioner of Patents to issue said Letters  
Patent to the above mentioned assignee in accordance herewith.

I further authorize said assignee, its successors and assigns, or anyone it  
may properly designate, to apply for Letters Patent, in its own name if desired,  
in any and all foreign countries, and additionally to claim the filing date of  
said United States application and/or otherwise take advantage of the provisions  
of any international convention, treaty and/or agreement.

I do hereby covenant and agree with the said assignee, its successors and  
assigns, that I will not execute any writing or do any act whatsoever conflicting  
with these presents, and that I or my executors or administrators will at any time  
upon request, without further or additional consideration, but at the expense of  
the said assignee, its successors assigns, execute such additional writings and  
do such additional acts as said assignee, its successors and assigns, may deem  
necessary or desirable to perfect the assignee's enjoyment of this grant, and  
render all necessary assistance in making application for and obtaining original,  
divisional, reissued or extended Letters Patent of the United States, or any of  
and all foreign countries on said invention, and in enforcing any rights,  
occurring as a result of such applications or patents, by giving testimony in any  
proceedings or transactions involving such applications or patents.
