Assignment of Patent

In consideration of One Dollar and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned hereby assigns to SRC Innovations, LLC, an Oregon limited liability company, having an address of P.O. Box 521, Astoria, Oregon 97103, its successors or assigns (hereinafter collectively "the Assignee") any and all right, title and interest in the invention, ideas, designs or improvements of the undersigned disclosed in or evidenced by the Letters Patent of the United States of America No. 5,421,142, issued June 6, 1995, filed in the United States Patent Office on the 20th day of May 1994, entitled An Agricultural Bagging Machine (with Multiple Tunnels), and in any reissue or extension thereof.

The undersigned hereby further agrees, upon request, to cooperate to the best of the undersigned's ability with the Assignee, its representatives or agents, and to perform any and all affirmative acts or actions necessary or proper under the circumstances to support, protect or prosecute the right, title, interest and benefit of the Assignee in said Patent, including, but are not limited to, executing any and all documents, instruments, oaths or affidavits, and producing at any time any and all evidence necessary or proper under the circumstances to support the Assignee's rights, title, interests or benefits in said Patent.

The undersigned hereby assigns to the Assignee the entire right, title, interest or benefit in said invention or improvement in any and all foreign countries and agrees, upon request, of the Assignee, its representatives or agents, to execute any and all documents necessary or proper under the circumstances in connection with any and all applications for foreign Letters Patent, including the prosecution thereof, and to execute any and all documents necessary or proper to vest title in said foreign applications and patents in the Assignee.

Executed this 30th day of Sept, 2002, in Astoria, Oregon.
