ASSIGNMENT OF PATENTS

THIS PATENT ASSIGNMENT is made this 21st day of March, 2009 ("Effective Date") by and between Allan M. Shine, Receiver of The Colibri Group, Inc. ("TCG") and Colibri Corporation ("CC") and, collectively with TCG, the "Seller" or "Assignor" (the "Receiver"), by the authority vested in the Receiver by Order of the Superior Court of the State of Rhode Island, Providence County, entered on the 23rd day of March, 2009, in those consolidated receivership proceedings captioned as Founders Equity SBIC I, L.P. vs. The Colibri Group, Inc., P.B. #09-0253, and Allan M. Shine, Receiver of The Colibri Group, Inc. vs. Colibri Corporation, P.B. #09-0664, (the "Receivership Proceedings") and Mont D'Or of America, LLC d/b/a Alliance Time ("Assignee").

WHEREAS, the books and records of TCG and CC indicate that they own certain patents and patent applications and community design registrations listed in the attached Schedule A (the "Patent Assets");

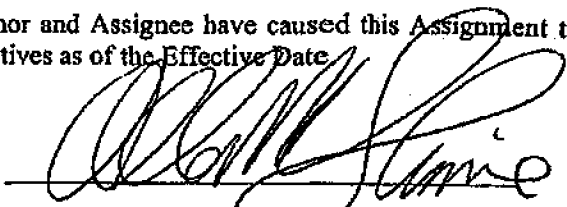

WHEREAS, the Assignor is the subject of the Receivership Proceedings and has agreed to assign all assets, including the Patent Assets, pursuant to the sale process established in the Receivership Proceedings, and to execute this Assignment subject to the Assignee's agreement to, and execution of, the terms and conditions of that Receiver's Bill of Sale executed contemporaneously herewith, the Patent Assets being all or a portion of the Purchased Assets defined in that Receiver's Bill of Sale;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over, unto the Assignee, its successors, legal representatives and assigns, the entire right, title and interest free and clear of any liens, encumbrances or security interests of any kind whatsoever throughout the world in and to said inventions as described in the patents and patent applications and community design registrations (in Schedule A), and the Patent Assets, and all divisions, renewals, continuations and continuations in-part thereof, and all Letters Patent of the United States and/or foreign countries which may be granted thereon and all reissues and extensions thereof, and all rights of priority under International Conventions, and all rights, interests, claims and demands, recoverable in law or equity, that the Assignor has or may have in profits and damages for past and future infringements of said patents and pending applications; the same to be held and enjoyed by the said Assignee, for its own use and behoof, and for its legal representatives and assigns, to the full end of the term for which said patents and any patents issuing from the pending applications are granted; and Assignor hereby authorizes and requests the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue Patents on applications as aforesaid, to issue all Letters Patent to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

Assignor and Receiver hereby agree to execute and deliver any and all reasonable further materials, documents and instruments necessary to perfect, record or verify Assignee's interest in the Patent Assets or to otherwise effectuate the purpose of this Agreement. Assignor and Receiver hereby irrevocably appoint Assignee as its power of attorney, coupled with an interest to execute all such documents and instruments on Assignor's and Receiver's behalf if Assignor or Receiver fails to promptly do so.

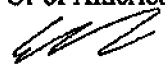

PATENT**REEL: 023220 FRAME: 0047**

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed by their duly authorized representatives as of the Effective Date

ALLAN M. SHINE, AS AND ONLY AS
RECEIVER OF THE COLIBRI GROUP, INC.
