ASSIGNMENT

WHEREAS, Production Solutions, Inc.(hereinafter referred to as Assignor), a corporation of the State of Michigan, having a place of business at 900 E. Main Street, Middleville, Michigan 49333 is the owner of U.S. Patent No. 7,383,834;

WHEREAS, David R. Budd residing at 690 Spruce Hollow Dr., Middleville, MI 49333 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said invention and in and to U.S. Patent No. 7,383,834 and to any Letters Patent that may be granted that claims priority thereto in the United States and in any and all foreign countries.

NOW, THEREFORE, in consideration of the sum of One Hundred Dollars (\$\_100.00\_), and assumption of legal fees owed to Patent Attorney, the receipt of which is hereby acknowledged, and for other good and valuable considerations including but not limited to continued research and development, Assignor hereby sells, assigns and transfers unto said Assignee the full and exclusive right, title and interest to the said invention in the United States and in all foreign countries and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and in any and all foreign countries and in and to any and all divisions, reissues, continuations, continuation-in-part, and extensions thereof, including the full right to claim for any such applications the benefits of the International Convention, and further the full right to sue for past and future infringement and to collect future and past damages.

Assignor hereby authorizes and requests the Patent Office Officials in the United States and in any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Assignee as the owner of the entire right, title and interest in and to the same, for the sole use and behoof of said Assignee, its successors and assigns.

FURTHER, Assignor agrees to communicate to said Assignee or its representatives any facts known to Assignor respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitution, renewal, and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths and generally do everything possible to aid said Assignee, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, I have hereunto set my hand on the date appearing next to my signature.
