ASSIGNMENT

IN CONSIDERATION OF TEN U.S. DOLLARS (US\$10.00) cash in hand paid to me by Razer (Asia-Pacific) Pte Ltd, and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, NG, Chern Ann ("ASSIGNOR"), having made an invention in System and Method for Key Function Switching while in the employ either as employee or consultant of Razer (Asia-Pacific) Pte Ltd (sometimes hereinafter called "ASSIGNEE"), a corporation incorporated under the laws of the Republic of Singapore, doing business at 514 Chai Chee Lane, #07-05, Singapore 469029, do hereby ASSIGN, SELL and CONVEY to said Razer (Asia-Pacific) Pte Ltd, their successors and assigns, the entire right, title and interest throughout the world in and to:

1. Said invention in System and Method for Key Function Switching;
2. United States of America patent application on said invention, executed by me concurrently herewith entitled System and Method for Key Function Switching;
3. All applications for patent or like protection on said invention that have now been or may in the future be made by me or my legal representatives, including any continuation, continuation-in-part and any other utility applications that may be based on this invention, whether in the United States of America or any other place anywhere in the world;
4. All patents and like protection that have now been or may in the future be granted on said invention to me or my legal representatives, whether in the United States of America or in any other country or place anywhere in the world;
5. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, and the like of said applications and patents and like grants, including without limitation, those obtained or permissible under past, present and future laws and statutes;
6. All rights of action on account of past, present and future unauthorized use of said invention and for infringement of said patents and like protection;
7. The right in ASSIGNEE to file in their name applications for patents and like protection for said invention in any country or countries foreign to the United States; and

8. All international rights of priority associated with said invention, applications, patents and like protection;

and I covenant that I, and my heirs, legal representatives, assigns, administrators, and executors, will, at the expense of ASSIGNEE, their successors and assigns, execute all papers and perform such other acts as may be reasonably necessary to give ASSIGNEE, their successors and assigns, the full benefit of this Assignment.

EXECUTED at the place and on the date indicated below, opposite my signature.
