confirm our obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, our entire right, title and interest -

(1) in and to the invention described in a patent application titled "NEEDLE COVER ASSEMBLY FOR A SYRINGE" for which we filed United States Patent Application No. 12/474,980 (Atty. File No. 024869-9001-02) and International Patent Application No. PCT/US2009/045701 (Atty. File No. 024869-9001 WO) (hereinafter the "U.S. utility and PCT patent applications") and which applications claim the benefit of United States Provisional Patent Application No. 61/058,165, filed June

2, 2008, and United States Provisional Patent Application No. 61/138,786, filed December 18, 2008 (hereinafter the "U.S. provisional patent applications");

(2) in and to the U.S. utility and PCT patent applications, and the U.S. provisional patent applications, in and to all other patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, to the full end of the term or terms for which said patent or patents ~~may be~~ granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention with respect to the U.S. utility and PCT patent applications and the U.S. provisional patent applications, and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of our Assignee with a claim to priority based one or more of the U.S. utility and PCT patent applications and the U.S. provisional patent applications.

And we hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to us, review and execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said patent or patents to Assignee.
