ASSIGNMENT

WHEREAS the undersigned, Leo Schachter Diamonds, L.L.C., a Limited Liability Company under the laws of the state of New York, having offices at 579 Fifth Avenue, New York, New York 10017 (hereinafter, "LSD"), is the assignee of the entire right, title, and interest in the application for United States Design Patent, U.S. Serial No. 29/338,055 filed June 3, 2009 and being entitled RING, and in and to said application and all divisional, continuing, reissue, and all other applications for U.S. Patents or other related property rights in any and all foreign countries which have been or shall be filed on any of said inventions disclosed in said application; and in and to all original and reissued patents or related foreign documents which have been or shall be issued on said inventions, by virtue of an assignment from the inventor(s) thereof, as recorded in the U.S. Patent and Trademark Office on September 16, 2009 at Reel 023242, Frame 0027;

NOW THEREFORE, in consideration of funding a portion of the expenses incurred in the development of the above-mentioned invention, and other good and valuable consideration, the Receipt of which is hereby acknowledged, LSD, hereby:

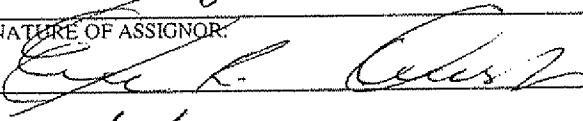

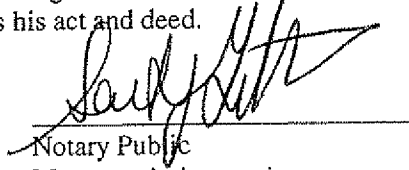

SELLS, assigns and transfers to Kama-Schachter Jewelry, Inc., a Corporation under the laws of the state of Delaware, having offices at 579 Fifth Avenue, New York, New York 10017, its successors, assigns and legal representatives (hereinafter, "KAMA"), a 50% right, title and interest in and to any and all inventions which are claimed or disclosed in the application for United States Design Patent, U.S. Serial No. 29/338,055 filed June 3, 2009 and being entitled RING, and in and to said application and all divisional, continuing, reissue, and all other applications for U.S. Patents or other related property rights in Canada and Mexico which have been or shall be filed on any of said inventions disclosed in said application; and in and to all original and reissued patents or related documents in Canada and Mexico which have been or shall be issued on said inventions;

AUTHORIZES and requests the United States Patent and Trademark Office to issue jointly to LSD and KAMA, their successors, assigns and legal representatives, in accordance with this assignment, any and all United States Patents on said inventions or any of them disclosed in said application;

AGREES that LSD and KAMA may jointly apply for and receive foreign Patents or rights of any other kind for said inventions, or any of them, in Canada and Mexico; and may claim, in applications for said foreign Patents or other rights in Canada and Mexico, the priority of the aforesaid United States patent application under the provisions of the International Convention of 1883 and later modifications thereof, under the Patent Cooperation Treaty or under any other available international agreement; and that, when requested, to carry out in good faith the intent and purpose of this assignment, the undersigned or the undersigned's executors or administrators will, for the United

States, Canada and Mexico, execute all divisional, continuing, reissue, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to KAMA, its successors, assigns and representatives, all facts known and documents available to the undersigned relating to said inventions and the history thereof; testify in all legal proceedings; and generally do everything possible which KAMA, its successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents or related foreign rights and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives; and

COVENANTS with KAMA, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
