ASSIGNMENT

Whereas, I, **Matthew C. Gross**, a resident of **Pottstown, Pennsylvania**, have invented certain new and useful improvements in a **SEAT ASSEMBLY WITH BLAST MITIGATION DEVICE AND FRONT END COLLISION RESISTANCE** for which I filed a U.S. utility application simultaneously herewith;

And whereas, **USSC Group, LLC**, a **Pennsylvania Corporation**, duly organized and existing under the laws of the **State of Pennsylvania** and having a place of business at **150 Gordon Drive, Exton, Pennsylvania 19341**, is desirous of acquiring the entire right, title and interest in, to and under said invention and said patent application, any continuing applications, continuations-in-part, divisional applications, refiled or reissue applications made in the United States of America and all other Nations which may result from said invention and information disclosed in said application, and any and all Letters Patent of the United States and other Nations which may be issued there from;

Now, therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, I, **Matthew C. Gross**, do hereby sell, assign and transfer to **USSC Group, LLC**, the entire and undivided right, title and interest in and to my invention of new and useful improvements in and to a **SEAT ASSEMBLY WITH BLAST MITIGATION DEVICE AND FRONT END COLLISION RESISTANCE** said application for letters patent, the invention therein described, and all rights appurtenant thereto and in all our applications related thereto, including each of the following: the right to apply for any letters patent for said invention in the United States of America and in any and all foreign countries, any and all other applications for letters patent on said invention, in whatsoever countries, including all divisional, renewal, substitute and continuation applications based in whole or in part upon said invention or upon said application or related thereto; any and all letters patent that may issue thereon in the United States and foreign countries and any and all reissues, extensions, renewals, divisions, or continuations of letters patent granted for said inventions or upon said applications, to the full end of the term or terms for which said letters patent may be issued; and every priority or other right accorded by every international convention, treaty or agreement that is or may be predicated upon or arise from said invention, application and other applications or letters patent therefore, all to be held by **USSC Group, LLC**, and their successors and assigns, all the same as I would have held and enjoyed had this Assignment not been made.

I also agree to sign all such additional documents as **USSC Group, LLC**, and their successors and assigns may require in order to confirm or give full effect to this Assignment.
