ASSIGNMENT

For good and valuable consideration, I, **Mausumi Acharyya**, residing at 406, Manish Manor, J.P Nagar 6th Phase, 28th Main, Bangalore 560078, citizen of IN; hereafter individually or collectively referred to as "Assignor";

Hereby sell, assign and transfer to Siemens Information Systems Ltd., a corporation organized and existing under the laws of India, having its principal place of business at 84, Keonics Electronics City, Hosur Road, Bangalore, 560100, India, hereinafter "Assignee", its successors, assigns and legal representatives, the entire right, title and interest in and for the United States and all foreign countries, in and to any and all improvements which are disclosed in **Provisional Application filed on 08.15.08 and identified as United States Provisional Application Serial No. 61/089,126**, and in the application for **United States Letters Patent**, which has been filed with the **United States Patent and Trademark Office on 08.15.08, under Serial Number 61/089,126**, entitled:

**Curvature Properties as Rib-Cross Features for Reduction of False Positives in
Chest X-ray Nodule Detection**

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be filed in the United States and all foreign countries on said improvements;

Agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and legal representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
