ASSIGNMENT

1. WHEREAS, PSC Industrial Outsourcing, LP of 210 West Sand Bank Road, Columbia, Illinois 62236, a corporation duly organized and existing under and by virtue of the laws of the State of Delaware (hereinafter referred to as Assignor), is the owner of certain rights in and to U.S. Patent Application Serial No. 12/568,329, filed September 28, 2009, titled A METHOD AND SYSTEM FOR MOVING A LARGE TEMPORARY BUILDING (UEC 7565), and the invention disclosed therein; and

2. WHEREAS, Ameren Corporation of One Ameren Plaza, 1901 Chouteau Avenue, St. Louis, Missouri 63103-3003, a corporation duly organized and existing under and by virtue of the laws of the State of Missouri (hereinafter referred to as Assignee), is desirous of acquiring said rights of Assignor;

3. NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration by Assignee to Assignor in hand paid, receipt of all of which is hereby acknowledged, Assignor has agreed to and does hereby sell, assign, and transfer unto Assignee, its successors and assigns, all of Assignor's rights in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, in and to said invention, said United States application, any other United States applications (including provisional, non-provisional, divisional, continuing or reissue applications) based in whole or in part on said United States application or in whole or in part on said invention, any

foreign applications based in whole or in part on any of the aforesaid United States applications or in whole or in part on said invention, and any and all patents (including extensions thereof) of any country which have been or may be granted on any of the aforesaid applications or on said invention or any part thereof; including specifically, without limiting the generality of the foregoing, the United States patent application listed below.

4. TO BE HELD AND ENJOYED BY Assignee, its successors and assigns, to the ends of the respective full terms for which said patents have been or may be granted, as fully and entirely as the same would have been held and enjoyed by Assignor had this sale and assignment not been made.

5. AND Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States of America to issue any and all United States patents which may be granted upon said United States patent applications to assignee, its successors and assigns.

6. AND Assignor hereby agrees to execute without further consideration any further lawful documents and any further assurances, and any provisional, non-provisional, divisional, continuing, reissue, or other applications for patents of any country, that may be deemed necessary by said Assignee, its successors or assigns fully to secure its interest as aforesaid in and to said invention or any part thereof, and in and to said patent applications or any of them, and in and to said several patents or any of them.

7. **AND** Assignor covenants that Assignor has granted no right or license to make, use or sell said invention to anyone except said Assignee, that prior to the execution of this deed Assignor's rights in said invention have not been otherwise encumbered, and that Assignor has not executed and will not execute any instrument in conflict herewith.

8. **IN WITNESS WHEREOF**, Assignor has caused these presents to be executed by its officer thereunto duly authorized this _____ day of _____ 2009.
