ASSIGNMENT

Know all men by these presents that:

WHEREAS I,

Bertil Johansson
Vickavägen 109
SE-439 30
Onsala, SE

have made an invention for

CARTRIDGE CASE

described in an application filed in the United States Patent Office as Serial No. 29343,272, filed on September 10, 2009 ; and this application claims priority to Registered Community Design No. 001103063-0001, filed on March 11, 2009; and

WHEREAS, CBJ Tech AB, a corporation duly organized and existing under the laws of Kungsbäcka, Sweden and having a place of business at Hantverksgatan 28, SE-434 42, Kungsbäcka, Sweden for the benefit of themselves, their successors and assigns, all inclusively hereinafter referred to as the Assignees, are desirous of acquiring the entire right, title and interest in and to the said invention, the said application, all inventions disclosed in said application and any and all Letters Patent of the United States and of all other countries which may be granted for the said invention or inventions, or any of them;

NOW, THEREFORE, for good and valuable consideration provided by said Assignees, the receipt whereof is hereby acknowledged, we do hereby sell, assign and transfer to the said Assignees the entire right, title and interest in and to the said invention, inventions and application, including all priority rights arising therefrom, all inventions disclosed in said application, and any and all Letters Patent of the United States, and of all other countries, together with the right to apply for such Letters Patent, which may be granted for the said invention, inventions or any of them,

TO HAVE, HOLD AND ENJOY the said invention, the said application, and the said Letters Patent, to said

CBJ Tech AB

their successors and assigns, to its and their own use and behoof to the full end of the term or

terms for which the said Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale not been made.

AND I hereby authorize and request the Commissioner of Patents of the United States and the appropriate officers of all foreign patent offices to issue any and all Letters Patent which may be granted on the said application or applications above referred to, or for the said invention, or any of them, to the said Assignees in accordance with the terms of this instrument.

AND I hereby agree to execute and sign without further consideration any other legal document and any other assignments and any divisional, continuing, renewal, reissue or other application in and for all patents that may be appropriate and may be deemed necessary by the Assignees fully to secure to said Assignees their interests as aforesaid in and to the said invention or any part thereof and in and to the said patents or any of them.

AND I further covenant and agree that we will at any time upon request communicate to the said Assignees, their successors, assigns or other legal representatives, any facts known to us relating to the said invention and any patent that may be granted thereon, and will testify as to the same in any interference or litigation when requested to do so.

AND I hereby covenant for ourselves and our legal representatives that we have not hitherto assigned or granted any license to make, use or sell said invention, and that we will not henceforth purport to assign, license or execute any instrument to that effect in conflict with this assignment.
