## ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration(s), the receipt of which is hereby acknowledged, I/we the undersigned,

David L. Snodgrass, residing at Stuart, FL ("Assignor")

HEREBY sell, assign and transfer to UltraClenz, LLC ("Assignee"), having an address at Suite 350, 1440 W. Indiantown Road, Jupiter, FL 33458, its successors, assigns and legal representatives, the entire right, title, and interest for all countries, in and to, any and all inventions which are disclosed and claimed, and as possessed by the undersigned, any and all inventions which are disclosed but not claimed, in the application for United States Patent, entitled:

Wireless Communication for Handwash Dispenser Systems  
U.S. Patent Appln. No.12/560,250, filed September 15, 2009,

and in and to, said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for U.S. Letters Patent or other related property rights in any and all foreign countries which have been or shall be filed on any of said inventions disclosed in said application; and in and to all original and reissued patents or related foreign documents which have been or shall be issued on said inventions;

Authorize and request the Commissioner of Patents of the United States to issue to said Assignee, the corporation above-named, its successors, assigns and legal representatives, in accordance with this assignment, any and all United States Letters Patent on said inventions, or any of them disclosed in said application;

Agree that said Assignee may apply for and receive foreign Letters Patent or rights of any other kind for said inventions, or any of them, and may claim, in applications for said foreign Letters Patent or other rights, the priority of the aforesaid United States patent application(s)

under the provisions of the International Convention of 1883 and later modifications thereof, under the Patent Cooperation Treaty, under the European Patent Convention, or under any other available agreement; and

That, when requested, without charge to, but at the expense of said Assignee, its successors, assigns, and legal representatives, to carry out in good faith, the intent and purpose of this assignment, the undersigned or the undersigned's executors or administrators will, for the United States and all foreign countries, (i) execute all divisional, continuing, substitute, renewal, reissue, and all other patent application(s) or other documents on any and all said invention(s), (ii) execute all rightful oaths, assignments, powers of attorney, and other papers. (iii) communicate to said Assignee, [his/her/its] successors, assigns and legal representatives, all facts known and documents available to Assignor, relating to said inventions and the history thereof, (iv) testify in all legal proceedings, and (v) generally do everything possible which said Assignee, its successors, assigns, or legal representatives shall consider desirable for aiding in securing, maintaining, and enforcing proper patent protection for said invention(s) and for vesting title in and to said invention(s) and all applications for patents or related foreign rights and all patents on said inventions, in Assignee, its successors, assigns and legal representatives;

Covenant with said Assignee, its successors, assigns, and legal representatives, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been conveyed to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned

The undersigned hereby grant(s) the firm of Lucas & Mercanti, LLP, 475 Park Avenue South, New York, NY 10016, the power to insert on this Assignment any further identification

which may be necessary or desirable in order to comply with the rules of the United States Patent Office for recordation of this document.
