ASSIGNMENT

WHEREAS, Jason Adams, residing at

1511 Colony Ct. Palm Harbor, FL 34683

hereinafter called the "Assignor", has made the invention described in United States Patent Application Ser. No. 12/218,676 entitled DIRECT DRIVE RETROFIT FOR RIFLES filed July 17, 2008;

WHEREAS, ADAMS ARMS, INC. a corporation organized and existing under the laws of the State of Florida, having a place of business at 612 Florida Avenue, Suite B, Palm Harbor, FL 34683, hereinafter called the "Assignee", desires to acquire the entire right, title and interest in and to the invention and the patent application(s) identified above, and all patents which may be obtained for said invention, as set forth below;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00), and other valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to the Assignee, the entire right, title and interest for the United States in and to the invention and the patent application(s) identified above, and any patents that may issue for said invention in the United States; together with the entire right, title and interest in and to said invention and all patent applications and patents therefor in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals, reissues and extensions of any of the patent applications and patents defined above; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successor and assigns, to the full end of the term or terms for all such patents.

The Assignor hereby covenants and agrees for both the Assignor and the Assignor's successors, assigns and legal representatives, that the Assignor will execute and deliver to the Assignee any and all additional instruments or documents which may be requested by the Assignee to carry out the terms of this Assignment.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment. IN TESTIMONY WHEREOF, the Assignor has executed this agreement.

DATED:

10/1/09
