ASSIGNMENT

WHEREAS, I, **Steve Connor**, a citizen of the United States of America residing at 3B05 Building 10, Sky and Water, New Century Villas, Dongcheng District, Dongguan City, Guangdong 523123, China (hereinafter, "Assignor"), have invented certain inventions and improvements disclosed in an application for Letters Patent entitled "**BED IN A BOX AND METHOD**," filed in the United States Patent and Trademark Office on April 22, 2009, under U.S. Application Serial No. 12/427,816, which claims priority to Chinese Patent Application No. 200910131076.7, filed April 22, 2009, hereinafter referred to as "Applications"; and

WHEREAS, **Superior International Sourcing**, a company having a principal place of business at Room 425, Block C, Jin Ao Building, 181 Dong Cheng Xi Road, Guan Cheng District, Dongguan City, Guangdong 523000, China, is desirous of acquiring an interest in the same;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I, Assignor, by these presents do sell, assign and transfer unto **Superior International Sourcing**, my entire right, title, and interest in and to said Applications, in and to any divisions, continuations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said Applications, preparatory to obtaining Letters Patent of the United States therefor; and I hereby request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from said Applications, or from a division, continuation, or reissue thereof, to **Superior International Sourcing**, as the assignee, for its interest and for the sole use and benefit of **Superior International Sourcing** and its assigns and legal representatives;

For the same consideration, I, Assignor, by these presents do sell, assign, and transfer to **Superior International Sourcing**, my entire right, title and interest in and to any foreign application or applications corresponding to said Applications, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions,
