AND WHEREAS, the undersigned, to wit: IGT (hereinafter "ASSIGNEE"), a corporation duly organized and existing under the laws of Nevada and having its principal office and place of business at 9295 Prototype Drive, Reno, Nevada 89521-8986, desires to acquire the entire right, title, and interest therein;

NOW, THEREFORE, in consideration of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the ASSIGNOR does hereby sell, assign, transfer and convey, and hereby set over unto ASSIGNEE; its successors, assigns and legal representatives, the full and exclusive right, title and interest in and to said inventions and applications in all countries and jurisdictions to the full end of the terms for which all patents which may be granted thereon, to be held, used and enjoyed by, and in the name of, said ASSIGNEE, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by said ASSIGNOR had this Assignment and sale not been made, including, without limitation: (i) said inventions as described in the aforesaid applications; (ii) any and all improvements, betterments and modifications of the aforesaid inventions; (iii) any and all patents issuing from the aforesaid applications; (iv) all related applications including, but not limited to, divisions, continuations, continuations-in-part, patents of addition, reissues, reexaminations, foreign counterparts and foreign equivalents thereof, and substitutions of or for said applications; (v) all foreign rights related thereto including the right to make applications for patents for said inventions in any and all foreign countries and the right to claim priority as to the filing dates of the aforesaid applications under the International Convention, Patent Cooperation Treaty, European Patent Convention and any other international treaty; and (iv) all income, royalties, damages and payments due or payable to ASSIGNOR as of the execution of this Assignment or thereafter, including, but not limited to, all claims for damages by reason of past, present or future infringement or other unauthorized use of the inventions, patent applications or patents assigned hereunder, together with the right to sue for, and collect the same.

ASSIGNOR hereby authorizes and requests the patent office of the country in which this Assignment is recorded to issue all patents issuing from the patent applications identified in the above table to ASSIGNEE or its successors or assigns.

ASSIGNOR hereby agrees to execute any papers, provide any information and testify in any interference or litigation at the request of ASSIGNEE, its successors, assigns and legal representatives, when deemed essential to ASSIGNEE's, its successors', assigns' and legal representatives' full enjoyment, protection, enforcement and title in and to such inventions, patent applications, issued patents and rights hereby transferred.

ASSIGNOR furthermore agrees upon request of said ASSIGNEE, its successors, assigns or legal representatives, and without further remuneration, to execute any and all papers desired by said ASSIGNEE, its successors, assigns and legal representatives, for the filing and granting of the applications and patents assigned hereunder and the perfecting of title thereto in said ASSIGNEE, its successors, assigns and legal representatives.

ASSIGNOR hereby grants the ASSIGNEE's legal representatives the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the recordation rules of the patent office in which this Assignment is recorded.

ASSIGNOR hereby authorizes ASSIGNEE to update the above table with any publication numbers, patent numbers or other information missing from such table.

In the event that, and only to the extent that: (i) any provision of this Assignment violates the applicable law of any country or jurisdiction in which this Assignment is recorded, registered or asserted for legal purposes; or (ii) any court of competent jurisdiction adjudges any provision of this Assignment to be invalid or unenforceable, such violation or judgment shall not affect, impair or otherwise invalidate the remainder of this Assignment in such country or jurisdiction, but shall be confined in its operation to the specific provision of this Assignment which gave rise to such violation or judgment.
