ASSIGNMENT BY INVENTOR

I, György M. Keserü, having a residence at Berkenye u. 9, H-2089 Telki, Hungary, made **this assignment** on this 02 day of October, 2009:

WHEREAS, I, together with my co-inventor: Peter P. Sayeski, have invented certain new and useful improvements in

KINASE INHIBITOR COMPOUNDS

set forth in a Patent application for Letters Patent of the United States, already filed on June 5, 2008 as International Application No. PCT/US2008/007073, which claims priority to U.S. Provisional Patent Application No. 60/933,449, filed June 6, 2007; and

WHEREAS, I acknowledge and agree to assign my entire right, title and interest in and to the said invention to UNIVERSITY OF FLORIDA RESEARCH FOUNDATION, INC. (hereinafter referred to as Assignee), existing by virtue of the laws of the State of Florida, and having an office at 223 Grinter Hall, Gainesville, Florida 32611;

NOW, THEREFORE, in consideration of good and sufficient consideration, the receipt of which is hereby acknowledged, I have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, my entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all my rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by me, had this sale and assignment not been made.

AND for the same consideration, I hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, I and my co-inventor as set forth above are the sole and lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that I have good right and lawful authority to sell and convey my entire rights, title and interest in the said invention.

AND for the same consideration, I hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that I will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Patent application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND I hereby request the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND I hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

EDWARDS ANGELL PALMER & DODGE LLP

All practitioners at Customer Number 21874

AND I acknowledge an obligation of assignment of this invention to Assignee at the time the invention was made.
