## A S S I G N M E N T

WHEREAS, we, Thomas Glover, of Ypsilanti, County of Washtenaw, State of Michigan, and Michael W. Glynn, of Darien, County of Fairfield, State of Connecticut, have invented with others, a certain invention entitled FARNESYLTRANSFERASE INHIBITORS FOR TREATMENT OF LAMINOPATHIES, CELLULAR AGING AND ATHEROSCLEROSIS, for which the following patent applications have been filed:

U.S. Provisional Patent Application No. 60/648,307, filed on January 28, 2005;  
U.S. Provisional Patent Application No. 60/707,192, filed on August 9, 2005; and  
PCT Application No. PCT/US2006/002977, filed on January 27, 2006; and

WHEREAS, The Regents of the University of Michigan, a corporation organized under the laws of the State of Michigan, having a place of business at Wolverine Tower, Room 2071, 3003 South State Street, Ann Arbor, Michigan 48109-1290, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, Thomas Glover and Michael W. Glynn, hereby sell, assign and transfer to The Regents of the University of Michigan, the full and exclusive right, title and interest in and to said invention, patent application and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by The Regents of the University of Michigan, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to The Regents of the University of Michigan, or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid The Regents of the University of Michigan, its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.

We hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
