## ASSIGNMENT BY INVENTOR

**THIS ASSIGNMENT**, made by Russell M. Lebovitz, residing at 1302 Waugh Dr., #842, Houston, Texas 77019 (hereinafter referred to as "Assignor");

**WHEREAS**, Assignor has invented:

### **NANO-SCALE CONTRAST AGENTS AND METHODS OF USE**

filed on January 22, 2009, as application No. 12/357,950.

**NOW THEREFORE**, pursuant to the obligations imposed by or arising under one or more of my employment agreement(s), advisor agreement(s), state or national statutes, common law, and administrative regulation, and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I hereby do make the following assignments -

To **Marval BioSciences, Inc.**, a corporation created and duly organized under the laws of the state of Delaware and having a place of business at 1302 Waugh Dr., #842, Houston, Texas 77019, and its successors and assigns, I hereby

- assign, transfer, and set over the full and exclusive worldwide right, title and interest to the above-described invention and to the above-described application for letters patent of the United States as well as any substitute, continuation, continuation-in-part, or divisional application filed thereon, to any application for letters patent of the United States that claims priority from the above-described application, to any letters patent of the United States that issues from such application(s) as well as any reissue application or request for reexamination filed on such letters patent, and to any patent application which may be filed on said invention in any foreign country as well as any foreign patent granted thereon;
- covenant and agree for myself and my legal representative(s) to
  - a) assist said assignee and/or its designee(s), to the extent requested, in the prosecution of said application for patent, in any interference declared on said application for patent or patent issuing therefrom, or in litigation which arises out of or is based on said invention, application for patent or patent issuing therefrom, and

b) execute all papers related to said application for patent which said assignee or its designee(s) request to be signed,

provided that expenses relating thereto shall be borne by said assignee; and

- authorize and request the Commissioner of Patents and Trademarks and Patent Office officials of any and all foreign countries to issue any letters patent of the United States relating to the above-described invention in the name of said assignee.

IN WITNESS WHEREOF, I have executed this document on the date next to my name.
