ASSIGNMENT OF PATENT APPLICATIONS

THIS ASSIGNMENT OF PATENT APPLICATIONS ("Assignment") is entered into this 2nd day of October, 2009, by and between Advanced Armament Corp. ("Seller"), a Georgia corporation, having an office at 1434 Hillcrest Road, Norcross, GA, 30093, USA., and AAC Acquisitions, LLC ("Buyer"), a Delaware limited liability company, and their heirs or assignees, having an office at 870 Remington Drive, PO Box 700, Madison, NC 27025.

WHEREAS, this Assignment is a condition of closing the purchase of substantially all of the assets, and the assumption of certain liabilities, of Advanced Armament Corporation ("AAC"), including assets used in the manufacture, distribution and sale of silencers sold by AAC, by Buyer pursuant to an Asset Purchase Agreement, dated as of the date hereof, by and between AAC and Buyer; and

WHEREAS, Seller is the assignee of U.S. Patent Application No. 12/220,253, entitled Improved Booster for Handgun Silencer, and U.S. Patent Application No. 12/221,715, entitled Lightweight Booster Housing which Allows for Adjustable Orientation on an Attached Silencer ("Patent Applications"), by virtue of assignment agreements with named inventors James DeGroat and Michael Smith, respectively; and

WHEREAS, Seller desires to assign to Buyer the Patent Applications described above and Buyer desires to accept the assignment thereof.

NOW, THEREFORE, for and in consideration of the mutual covenants contained herein and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, Seller hereby irrevocably assigns and transfers to Buyer all of Seller's right, title and interest in, to and under the Patent Applications, as well as any patents which may be granted based upon the Patent Applications, as the same shall exist on the date hereof, TO HAVE AND TO HOLD the same unto Buyer, its successors and assigns, forever.

Seller hereby constitutes and appoints Buyer the true and lawful attorney of Seller, with full power of substitution, in the name of Buyer, but on behalf of and for the benefit of Buyer: (i) to demand and receive from time to time the Patent Applications and to make endorsements and give receipts and releases for and in respect of the same and any part thereof; (ii) to institute, prosecute, compromise and settle any and all proceedings that Buyer may deem proper in order to collect, assert or enforce any claim, right or title of any kind in or to the Patent Applications; (iii) to defend or compromise any or all proceedings in respect of any of the Patent Applications; and (iv) to do all such acts and things in relation to the matters set forth in the preceding clauses (i) through (iii) as Buyer shall deem desirable. Seller hereby acknowledges that the appointment hereby made and the powers hereby granted are coupled with an interest and are not and shall not be revocable by him in any manner or for any reason. Buyer shall indemnify and hold Seller harmless from any and all losses caused by or arising out of any breach of law by Buyer in its exercise of the aforesaid powers.

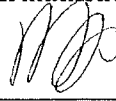

This Assignment may be executed in any number of counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

This Assignment shall be governed by and construed in accordance with the laws of the United States of America applicable to Patents.

IN WITNESS WHEREOF, the undersigned have caused their duly authorized officers to execute this Assignment on the day and year first above written.
