ASSIGNMENT BY ASSIGNOR

THIS ASSIGNMENT, made by Gilead Sciences, Inc., organized under and pursuant to the laws of Delaware, having its principal place of business at 333 Lakeside Drive, Foster City, California 94404; and K.U. Leuven Research & Development, organized under and pursuant to the laws of Belgium, having its principal place of business at Minderbroedersstraat 8a – 3000 Leuven, Belgium (hereinafter referred to as Assignors);

WHEREAS, Assignors having acquired the entire right, title and interest by operation of original Assignments from inventors, Steven S. Bondy, Eric Davis Dowdy, Choung U. Kim, David A. Oare, and Vahid Zia, to Gilead Sciences, Inc., recorded May 10, 2007 on Reel/Frame 019285/0648; and by inventor Johan Neyts to K.U. Leuven Research & Development, recorded April 30, 2007 on Reel/Frame 019228/0493, for U.S. Patent Application Serial No. 10/583,814, previously filed on December 21, 2004 as PCT/US04/43112; and

WHEREAS, Gilead Sciences, Inc., organized under and pursuant to the laws of Delaware having its principal place of business at 333 Lakeside Drive, Foster City, California 94404; and K.U. Leuven Research & Development, organized under and pursuant to the laws of Belgium having its principal place of business at Minderbroedersstraat 8a – 3000 Leuven, Belgium; and Gerhard Puerstinger, a citizen of Austria, residing at Badhausstrasse 10/4, A-6080 Igls, AUSTRIA, respectively (hereinafter referred to as Assignees), are desirous of acquiring the entire right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, to all whom it may concern, be it known that for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignees, their successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisions, continuations, continuations-in-part, and continuing applications of said application, and any and all Letters Patent in the United States which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters

Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignees, for their own use and benefit and the use and benefit of their successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignors hereby represents and warrants to Assignees, their successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignees under law or that have already been transferred to Assignees, Assignors are the sole and lawful owner of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenants and agrees to and with Assignees, their successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignees, their successors, legal representatives and assigns, whenever counsel of Assignees, or counsel of their successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Provisional application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignors acknowledges an obligation of assignment of this invention to Assignees at the time the invention was made.
