PATENT

ASSIGNMENT

WHEREAS, we, Dale Truemner and Richard Booms, respectively, are the owners of all right, title and interest in and to certain inventions for Corrugated Tube Piercing Apparatus and Methods of Use which are disclosed and claimed in certain issued U.S. Patents and pending applications as set forth in attached Schedule A;

WHEREAS, Richard Booms desires to acquire the entire right, title and interest in and to said inventions, patents and application;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable considerations, receipt whereof is hereby acknowledged, I, Dale Truemner, by these presents do sell, assign and transfer unto said Richard Booms, his successors and assigns all right, title and interest in the United States of America and all foreign countries in and to the said inventions as described in the aforesaid patents and applications and to any improvements on said inventions hereto or hereafter made and any divisions or continuations of said application, and all Patents, United States and foreign, granted upon any such application or for the invention described therein, and any reissues or extensions of said Patents; and I hereby authorize and request the Commissioner of Patents and Trademarks to issue all Patents on said United States applications to said Richard Booms as assignee thereof.

Truemner hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

Truemner further covenants that Booms will, upon his request, be provided promptly with all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible to Truemner and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to Booms or his legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application, said inventions and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

FOR SAID CONSIDERATIONS, Truemner further covenants and agrees that he is the owner of the title herein assigned and has the right to assign the same, and agrees that he will communicate to Booms or his representatives any facts known to Truemner respecting said invention or inventions and testify in any legal proceedings relating
