NOW THEREFORE, be it known that, for good and valuable consideration, receipt of which is hereby acknowledged, Assignor hereby sells, assigns, transfers, and sets over to Assignee, its lawful successors and assigns, Assignor's entire right, title, and interest in and to the inventions in Table A, any other patent application directed to any of the inventions, and all Letters Patent of the United States that may be granted thereon, and all reissues, reexaminations, continuations, divisionals, continuation-in-parts and other extensions thereof; and all rights to claim priority on the basis of such application, and all applications for Letters Patent that may be filed or granted for the inventions in any foreign country, and all extensions, renewals, and

reissues thereof; and Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for these inventions to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, Assignor hereby further covenants that Assignor has the full right to convey the interest assigned by this Assignment, Assignor will take all reasonable action and execute all documents necessary to perfect the interest assigned hereby, and Assignor has not executed and will not execute any agreement in conflict with this Assignment;

AND, Assignor hereby further covenants and agrees that Assignor, through its officers and employees, will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to Assignor and its officers and employees respecting the inventions and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver all papers that may be necessary or desirable to perfect the title to the inventions in said Assignee, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths, and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper protection for the inventions in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by Assignee, its successors and assigns.

IN WITNESS WHEREOF, each party has caused its authorized representative to execute this Assignment.
