ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned:

**The Estate of Shukri F. Khuri as signed by Randa Khuri, Executrix,
Laki J. Rousou, and Patrick R. Treanor**

(hereafter "Assignors") hereby assign, sell, and transfer to:

**The United States Government as represented by the Department of Veterans Affairs
Address: Department of Veterans Affairs,
Office of General Counsel - PSG IV (024),
810 Vermont Avenue N.W.,
Washington D.C., 20420.**

(hereafter "Assignee") its successors and assigns, Assignors' entire right, title and interest throughout the world in and to any and all inventions and improvements for:

Compositions and Method for Tissue Preservation

described in the following patent applications:

**U.S. Provisional Application No. 60/901,844 filed February 17, 2007
U.S. Provisional Application No. 60/902,587 filed February 20, 2007
U.S. Provisional Application No. 60/966,511 filed August 27, 2007; and
International Application No. PCT/US2008/002170 filed February 19, 2008,
and national stage applications based on PCT/US2008/002170 in the
United States (Application No. 12/527,119), and in Australia, Brazil, Canada,
China, India, and Europe (EPO), application numbers not yet known**

and in and to the aforesaid applications, in any form or embodiment thereof, and in and to any application filed in this and any foreign country based thereon, including the right to file said applications and claim priority under the provisions of any international convention or treaty; also the entire right, title and interest throughout the world in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon said invention or inventions and any divisional, continuation, continuation-in-part or substitute applications which may be filed upon said invention or inventions in this or any foreign country; and authorize and request the issuing authority to issue any and all patents on said application or applications to said Assignee or its successors and assigns.

Assignors hereby warrant that they have full right to convey their entire right, title and interest, both legal and equitable, in and to said inventions, free from all prior

assignments, agreements, licenses, mortgages, security interests, or other encumbrances whatsoever; and

Assignors further agree, without further payment or compensation by said Assignee or its successors and assigns, to communicate to said Assignee, its representatives or agents or its successors and assigns, any facts relating to said invention or inventions including evidence for interference purposes or for other legal proceedings, whenever requested; testify in any interference or other legal proceedings whenever requested; execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective; and generally do everything possible to aid said Assignee, its representatives or agents, or its successors or assigns to secure, obtain and enforce proper patent protection for said invention or inventions in this and any foreign country.

The undersigned hereby authorize assignee or assignee's representative to insert into this Assignment said application serial number(s) and filing date(s) if not known at the time of execution of this assignment.
