ASSIGNMENT

Whereas, I/We, Steven N. Roe, having an address of 21 Hillbarn Court, San Mateo, California 94403, and Jeffrey N. Roe, having an address of 3212 Veracruz Drive, San Ramon, California 94583, hereafter referred to as "Applicants", have invented certain new and useful improvements in **Dual Blade Lancing Test Strip** for which an application for a United States Patent was filed on December 3, 2002, Application Number 10/308,463, for which an application for a United States Patent was executed on January 28, 2003; and

Whereas, Amira Medical, a corporation of Delaware, located at 9115 Hague Road, Indianapolis, Indiana 46256, herein referred to "Assignee", desires to acquire all of the entire right, title, and interest in, to and under said invention disclosed, described and claimed or intended so to be in said application, and in, to and under said application, and in, to and under any and all Letters Patent, United States and foreign, which may be obtained therefor and thereon;

Now, therefore, in consideration of the sum of one dollar (\$1.00), the receipt and sufficiency of which is acknowledged, and other good and valuable consideration, I/we, the Applicants, by these presents do sell, assign and transfer unto Assignee all of the entire right, title, and interest in, to and under said invention disclosed, described and claimed or intended so to be in said application, and in, to and under said application and any and all other applications thereon and arising therefrom, including any and all non-provisional applications claiming priority thereon and divisions and continuations thereof, and any and all patents to be issued and obtained therefor and thereon, United States and foreign, including all reissues and extensions thereof.

Executed this 31 day of March, 2003.
