PATENT ASSIGNMENT

In consideration of Five Dollars (\$5.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the undersigned, **BRENT CARL ERICKSON** whose full post office address is 11297 Merritt Line, Thamesville, Ontario, N0P 2K0, Canada;

Hereby sells, assigns and transfers to **B. ERICKSON MANUFACTURING LTD.**, a corporation of Ontario, Canada, having a place of business at 11297 Merritt Line, Thamesville, Ontario, N0P 2K0, Canada, its successors, assigns and legal representatives, the entire right, title and interest for the United States, Canada and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent, which has been executed by the undersigned concurrently herewith (enclosed), and entitled "**SHELF DIVIDER**" and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Design Letters Patent which have been or shall be filed in the United States, Canada and all foreign countries on any of said improvements; and in and to all original and reissued design patents which have been or shall be issued in the United States, Canada and all foreign countries on said improvements;

Agrees that said Assignee may apply for and receive Design Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other design patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns or representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and applications for design patents and all design patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

EXECUTED at CHATHAM Ontario, Canada, this 7th day of October, 2009.

BRENT CARL ERICKSON
