ASSIGNMENT

WHEREAS, we, Timothy Duncan, of Grants Pass, Oregon, Edward D. Wagner, of Rogue River, Oregon, and Michael R. Milota, of Corvallis, Oregon, have invented a certain invention, entitled SYSTEM FOR MAXIMIZING A VALUE OF LUMBER, for which we filed provisional patent application 61/102,247 on October 02, 2008, and for which we are making application for Letters Patent of the United States, said application having been executed by us on the dates indicated below, having application number 12/572,096, filed October 1, 2009, and

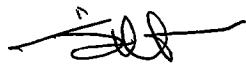

WHEREAS, Wagner Electronic Products, Inc., a corporation organized under the laws of the State of Oregon, having a place of business at 326 Pine Grove Road, Rogue River, Oregon 97537, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, Timothy Duncan, Edward D. Wagner, and Michael R. Milota hereby sell, assign and transfer to Wagner Electronic Products, Inc., the full and exclusive right, title and interest in and to said invention, provisional patent application, patent application and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, pateent applicat and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Wagner Electronic Products, Inc., for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted the United States or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to Wagner Electronic Products, Inc., or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Wagner Electronic Products, Inc., its successors and assigns to obtain and enforce proper patent protection for said invention in the

United States or any foreign country.

We hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
