PATENT ASSIGNMENT

On the date shown below, and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, SUNCEMIX TOKAI Co., Ltd. ("Assignor"), a corporation having a place of business at 298, Ohhara-Cho, Shizuoka, Hamamatsu-City, JAPAN 433-8102, made the following assignment and promises to NANOPLUS Co., Ltd. ("Assignee"), a corporation having a place of business at 298, Ohhara-Cho, Hamamatsu-City, Shizuoka, 433-8102 JAPAN:

1. Assignor assigns, transfers and conveys to Assignee the entire right, title and interest in and to all of Assignor's letters patent ("Letters Patent") including, but not limited to, the following U.S. Letters Patent:

(a) NONE.

2. Assignor further assigns, transfers and conveys to Assignee the entire right, title and interest in and to:

(a) All applications for letters patent, or similar legal protection, which may be filed in any country or countries foreign to the United States with respect to the Letters Patent listed above,

(b) All letters patent, or similar legal protection, which may be granted in any country or countries foreign to the United States with respect to the Letters Patent listed above.

(c) All extensions, renewals, reissues, divisions and continuations (or their legal equivalents) of any of the applications for letters patent, or similar legal protection, referred to above.

3. Assignor also assigns, transfers and conveys to Assignee the entire right, title and interest in and to all of Assignor's applications for letters patent ("Applications") including the following Applications:

Application Serial No. 11/631,866 filed August 8, 2007.

4. Assignor further assigns, transfers and conveys to Assignee the entire right, title and interest in and to:

(a) Any letters patent issued pursuant to, or as a result of, the Applications listed above.

(b) All applications for letters patent, or similar legal protection, which may be filed in any country or countries foreign to the United States with respect to all of the Applications listed above.

(c) All letters patent, or similar legal protection, which may be granted in any country or countries foreign to the United States with respect to all of the Applications listed above.

(d) All extensions, renewals, reissues, divisions and continuations (or their legal equivalents) of any of the applications for letters patent, or similar legal protection, referred to above.

5. Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents or similar legal protection on applications, to issue to Assignee all letters patent or similar legal protection for all of the Letters Patent and Applications listed above, and all improvements thereto.

6. Assignor hereby covenants and warrants that, as of the date of this Assignment Agreement, Assignor is the true and lawful owner of the entire right, title and interest in and to all of the above-referenced Letters Patent, all of the above-referenced Applications, and any letters patent which may issue under the above-referenced Applications, and Assignor has the full right and power to convey the same; that the same are free and clear of all liens, charges and encumbrances whatsoever; that no actual or threatened litigation or inquiries exist concerning the validity of any of the Letters Patent or Applications; that Assignor has not otherwise assigned or granted any licenses to the patent rights assigned herewith; and that Assignor has not executed, and will not execute, any agreement in conflict with this Assignment Agreement.

7. Assignor hereby agrees that, upon request of Assignee, Assignor will:

- (a) Execute any and all divisional and renewal applications for the inventions or improvements underlying the Letters Patent and Applications assigned hereby;
- (b) Execute any supplemental oath relating to the inventions or improvements underlying the Letters Patent and Applications assigned hereby;
- (c) Execute any application for reissue or extension of any letters patent that may be granted upon the Letters Patent or Applications assigned hereby;
- (d) Cooperate to the best of Assignor's ability in connection with any Interference proceeding relating to the Letters Patent or Applications assigned hereby, including, but not limited to, cooperation in connection with preparing the preliminary statement and giving and producing evidence in support of such preliminary statement;
- (e) Perform any and all affirmative acts to obtain the Letters Patent and vest all rights in such Letters Patent in Assignee; and
- (f) Perform such additional acts as Assignee may deem necessary or expedient in connection with any of the matters stated above.

8. This Assignment Agreement is binding upon, shall inure to the benefit of, and shall be performed by, the parties named, their heirs, administrators, legal representatives, successors and assigns.

9. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States to record this Assignment against the issued Letters Patent and Applications listed above.
