ASSIGNMENT

For good and valuable consideration, I, Ulrike Schulz, residing at Vor dem Obertore 14, 07751 Jena, Germany, a citizen of Germany; Irmina Wendling, residing at Tatzendpromenade 14, 07745 Jena, Germany, a citizen of Germany; Peter Munzert, residing at Sonnenbergstrasse 2, 07743 Jena, Germany, a citizen of Germany; Norbert Kaiser, residing at Am Katzenstein 1, 07745 Jena, Germany, a citizen of Germany;

hereby sell, assign, and transfer to Fraunhofer-Gesellschaft zur Foerderung der angewandten Forschung e. V., a corporation organized and existing under the laws of Germany, having its principal place of business at Hansastrasse 27 c, 80686 Muenchen, Germany; and Friedrich-Schiller-Universitaet Jena, a university of Germany located at Fuerstengraben 1, 07743 Jena, Germany;

hereinafter "Assignee", its successors, assigns and legal representatives, the entire right, title and interest in and for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent, which has been executed by the undersigned concurrently herewithin, and is entitled:

Optical Element with an Anti-Fog Layer and Method for its Production

and in and to said application and all divisional, continuing substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be filed in the United States and all foreign countries on said improvements;

Agree that Assignee may apply for and receive Letters Patent for said improvements in its own name, and that, when requested, without charge to but at the expense of said Assignee, their successors, assigns, and legal representatives to carry out in good faith the intent and purpose of this agreement, the undersigned will execute all divisional, continuing substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths,

assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns, or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns, and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
