ASSIGNMENT

WHEREAS, WE, JAMES L. BALL, of Frontenac, in the County of Crawford, State of Kansas, and DANNY L. GEPFORD, JR., of Frontenac, in the County of Crawford, State of Kansas have invented certain new and useful improvements in a

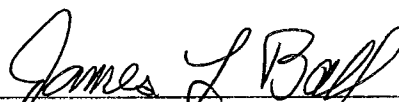

LATCHING AND SECURING MECHANISM FOR IMAGE TRANSFER WRAP

for which an application for a United States Design Patent was made on August 20, 2009; and

WHEREAS, the HIX CORPORATION a corporation duly organized under the laws of the State of Kansas, and having its principal place of business at 1201 East 27th Terrace, in Pittsburg, County of Crawford, and State of Kansas, is desirous of acquiring an interest in, to and under said invention, said application and any and all Design Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, JAMES L. BALL and DANNY L. GEPFORD, JR, have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said HIX CORPORATION, the full and exclusive right, title and interest throughout the world, in, to and under said invention as fully set forth and described in the specification prepared and executed by us on July 13, 2009, preparatory to obtaining United States Design Patent therefore; in, to and under said application; in, to and under all refilings, divisions and continuations of said application; in, to and under any and all United States Design Patent which may issue from said application, refilings, divisions and continuations; in, to and under any and all reissues of said United States Design Patent; in, to and under any and all applications for Design Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America; in, to and under any and all (Docket 4135)

refilings, divisions and continuations of said foreign-filed applications; in, to and under any and all Design Patent of countries foreign to the United States of America, which may issue from the said foreign-filed applications, refilings, divisions and continuations; and in, to and under any and all extensions of, and additions to, said Design Patent of countries foreign to the United States of America, the same to be held and enjoyed by said HIX CORPORATION for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the terms for which said Design Patent may be granted, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue the said United States Design Patent in accordance with this assignment.
