ASSIGNMENT

WHEREAS we, Robert M. Strongin, Isiah M. Warner, Youjun Yang, Mark Lowry, Sayo O. Fakayode, Jorge O. Escobedo Cordova, and Xiangyang Xu, the below-named inventors whose addresses and citizenships are as stated below next to our names, have made an invention, which invention is the subject of United States Patent Application Serial No. 12/374,111, 35 U.S.C. § 371 date January 16, 2009 (file No. Strongin 0627-US), the U.S. national stage of International Application No. PCT/US2007/073864, international filing date July 19, 2007, designating the United States and various other countries that are party to the Patent Cooperation Treaty, and claiming the benefit of the priority of United States provisional patent application serial number 60/832,413, filed July 21, 2006;

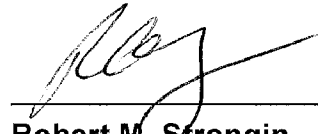

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, each of us has agreed to assign and transfer and does hereby assign and transfer unto the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, its successors and assigns, his or her entire right, title, and interest in and to the said invention and PCT Application, including all national stage applications corresponding to the PCT Application in the various countries designated or elected in the PCT Application, including United States Patent Application Serial No. 12/374,111; and in and to any division or continuation of any of the above said applications; and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and of all other countries (including the right to apply for Letters Patent in any country in its own name, and to claim any priority rights for such applications to which such applications are entitled under international conventions, treaties, or otherwise; including our respective rights to claim priority from United States provisional patent application serial number 60/832,413, filed July 21, 2006, and from International Application Serial No. PCT/US2007/073864, international filing date July 19, 2007, which have been or may be granted on any of the foregoing, to be held and enjoyed as fully and exclusively as they would have been by us had this assignment and transfer not been made.

We do further agree for ourselves and for our heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such acts as we lawfully may, that may be deemed necessary by the said Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, its successors, assigns, and nominees, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

And we do hereby authorize the Director of the United States Patent and Trademark Office, and any foreign counterpart to the Director, to issue any and all Letters Patent which may be

granted upon any of the said applications, to the said Board of Supervisors of Louisiana State University and Agricultural and Mechanical College as the assignee of the entire interest therein.

In witness whereof, we have hereunto signed our names on the respective dates set forth below.
