ASSIGNMENT

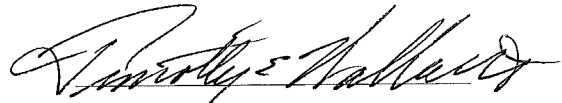

For value received, we Timothy Wallaert a citizen of USA in the County of Collin and the State of TX and Timothy H. Thorson a citizen of USA in the County of Collin and the State of TX and Thomas G. Pavlak a citizen of USA in the County of Oakland and the State of MI, hereby sell, assign and transfer to Lennox Industries Inc., a corporation of DE, having an office at 2100 Lake Park Blvd., Richardson, TX 75080, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, in and to certain inventions related to "THIN COVER PLATE FOR AN ELECTRONIC SYSTEM CONTROLLER" described in an application for Letters Patent of the United States, Application Number: 29/345,748 and Filing Date: October 21, 2009, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Lennox Industries Inc. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Lennox Industries Inc. to make application for such protection in its own name and maintain such protection in any and all foreign countries to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Lennox Industries Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Lennox Industries Inc. in the United States and in all countries foreign to the United States, or to such nominees as Lennox Industries Inc. may designate.

We agree that, when requested, I shall, without charge to Lennox Industries Inc. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
